RESTORATION OF ESSENCE

Text: Daniel 4:28-33

All this came upon King Nebuchadnezzar. At the end of the twelve months he was walking about the royal palace of Babylon. The king spoke, saying, "Is not this great Babylon, that I have built for a royal dwelling by my mighty power and for the honor of my majesty?" While the word was still in the king's mouth, a voice fell from heaven: "King Nebuchadnezzar, to you it is spoken: the kingdom has departed from you! And they shall drive you from men, and your dwelling shall be with the beasts of the field. They shall make you eat grass like oxen; and seven times shall pass over you, until you know that the Most High rules in the kingdom of men, and gives it to whomever He chooses." That very hour the word was fulfilled concerning Nebuchadnezzar; he was driven from men and ate grass like oxen; his body was wet with the dew of heaven till his hair had grown like eagles' feathers and his nails like birds' claws.

In this story, God withdrew essence from the arrogant King Nebuchadnezzar whose consuming passion was self projection and aggrandisement. The loss of essence made him as good as a beast.

Essence is what makes a person. When a man's essence is destroyed, he becomes a mere shadow. A person devoid of his essence (a lunatic for instance) is worse than a non-existing thing; he is a liability and his life has no value.

The English Dictionary defines essence as "the quality that makes something what it is". It is the most indispensable and central quality of anything. Your contribution to life is determined by your essence. The degree to which you can harness your essence therefore, is the degree to which you can make positive impact on earth. Your essence makes sense out of your life. Essence harnessed is purpose exhibited!

Every man's purpose is pre-determined by God:

"Before I formed you in the womb I knew you; Before you were born I sanctified you; I ordained you...to the nations(Jer.1:5)"

A man does not choose his purpose; he discovers it!

The word 'ordain' is from the Hebrew root word 'Nathan' which means to bestow, to commit, to empower. Your essence is God's instrument of empowering you for purpose! When purpose is not realized, essence is wasted. When essence is

not harnessed, purpose is defeated. Your greatest discovery therefore is the discovery of your purpose, while the greatest recovery is recovery of essence. The Creator is the source of both.

God determines purpose and gives essence. True knowledge of God leads to discovery of purpose and recovery of essence. Your greatest pursuit therefore should be the pursuit of God: "for he who comes to God must believe that he is and that he is a rewarder of those who diligently seek him."

"And you will seek Me and find Me, when you search for Me with all your heart"(Heb.11:6b,Jer.29:13).

When a person truly finds God, essence is received.

A man's essence is actually the measure of the life of God in him that he is able to harness. We share God's essence and

COME WITH US

We invite you to consider being a partner with us in this noble calling. Let us make the difference in many lives around the world. There are two things I would ask you to do:

1. Pray for me and my team regularly.
2. Give financial support monthly to enable us carry on these great ministries.
 - * Your life will be making impact in places you may never have time to go because of your primary assignment.
 - * Many will be rejoicing and blessing you in their hearts for the difference we will make together.
 - * You will be fulfilling your part of heaven's mandate for us to be a blessing.
 - * The seed you sow brings harvest of blessings into your life.
 - * The covering of God over this ministry covers and protects you.
 - * We pray for you daily here in this ministry.
 - * We send you our ministry's materials to bless you and help you grow from time to time.

As the spirit of God moves upon you right now, I encourage you to act promptly. Please put your support into any of the accounts below and send us a text on 08030744792, 08034336030. Where possible, the best approach is to set up a direct debit for this very important purpose. I will like to hear from you today. Abound in His blessing and love.

the degree to which you as an individual are in harmony with God in any area of your life is the degree to which you can exhibit your true essence in that area, fulfill your destiny and achieve tremendous feats:

One of the Devils greatest target in a person is his essence.

John 10:10

The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.

Satan seeks to steal, kill or destroy essence in a persons life.

He can come through sin. Nebuchadnezzar, Reuben. Genesis 49:3-4. Reuben, you are my firstborn, My might and the beginning of my strength, The excellency of dignity and the excellency of power. Unstable as water, you shall not excel, Because you went up to your father's bed; Then you defiled it—He went up to my couch. Reuben lost His place in God's purpose.

Diabolical means. Nahum 3:4. Because of the multitude of harlotries of the seductive harlot, The mistress of sorceries, Who sells nations through her harlotries, And families through her sorceries. Some who lacks God's power in their lives have had their essence stolen and ruined by witchcraft.

Evil covenant and curses. Cain was cursed for killing his brother Abel and became a vagabond.

Neglecting fellowship with God. Essence is drawn and renewed in the place of fellowship with God. 2 Corinthians 3:18 But we all, with unveiled face, beholding as in a mirror the glory of the Lord, are being transformed into the same image from glory to glory, just as by the Spirit of the Lord.

Fulfillment of purpose is the essence of life!

We are already at the closing scene of world history and God is rounding off the age. We therefore do not have time to play games when it comes to the issue of purpose. We want to redeem the time, be the best and maximize our lives for God's glory and the blessing of humanity.

God's greatest purpose since the fall of man is the total redemption of man. 1 Timothy 2:3-4

For this is good and acceptable in the sight of God our Savior, who desires all men to be saved and to come to the knowledge

of the truth.

The essence of the church therefore is evangelism. The church or the believer that does not engage in evangelism has lost essence. The only reason God keeps us on earth after we are saved is that we may rise up for the salvation of others and bring His kingdom to earth. This is the purpose of the believer's existence. This is what attracts God's reward. All kingdom endeavour attracts reward but none can compare to the reward of soul winning. Matthew 16:26

For what profit is it to a man if he gains the whole world, and loses his own soul? Or what will a man give in exchange for his soul?

One soul in in God's estimate is worth more than the whole world God will go to any extent in reward to the soul winner. He promised His abiding presence and power back up to the soul winner. Matthew 28:18-20

And Jesus came and spoke to them, saying, "All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age." Amen.

God's presence and power backup give the soul winner unchecked access to power, divine revelations, victory, joy, true prosperity, and all blessings. Soul winning brings so much joy to heaven that cause release of blessings. Luke 15:7

I say to you that likewise there will be more joy in heaven over one sinner who repents than over ninety-nine just persons who need no repentance.

God's priority for the believer and the church is to bring his kingdom to earth and cause His will to be done. Soul winning and discipleship are principal steps in accomplishing this purpose. Understanding and committing to God's purpose, timing and strategy will deliver you from wasting your time, treasure, energy and essence. It will empower you to make worthwhile and profitable decisions, be effective in your assignment, boost your impact and make your life uncomplicated and very productive.

If you have the mind set that maximizing profit and impact for the kingdom of God and making it to a heavenly reward is core, you will make kingdom advancement the ultimate end of all you do in life.

IDI AMU VILLAGE OUTREACH

"MOVING FROM PRIVILEGE TO PURPOSE"

Part of the kingdom life project is outreach to remote villages with the love of God through the provision of resources to meet physical, social and Spiritual needs. To this effect, Churches have been planted, a free School birthed out of compassion for a Community that lack access to basic amenities including education, health facilities, water and electricity. We have periodically supplied the villages with provisions and clothing materials.

Over the years, WOCOM in a bid to upscale the standard of living of this community through an uncommon transformation has spent millions of Naira to provide needed infrastructure ranging from School buildings to water borehole suitable for human consumption. The day to day running of the school is demanding and at a high cost to the ministry. To this end therefore, we need your support financially to keep delivering a high quality outreach to Idi Amu and other villages in the future.

LIBERIA TOTAL RECOVERY CRUSADES

JANUARY 28 - FEBRUARY 28, 2016.

The nation of Liberia received a mighty visitation of God through the one month crusades held across the country in five major cities of BUCHANAN, GANTA, GBARNGA, KAKATA and MONROVIA by Word Communication Ministries. The crusades held between January 28 and February 28, 2016.

The Lord led Apostle Sunday Popoola to Liberia for a prophetic payer and action in 2013, a move which sparked up a strategic move of God for the recovery of the nation. The move to hold these five crusades was a follow up to that move.

Liberia being Africa's first independent nation is called Africa's firstborn. 1847, the date of her independence, Liberia was dedicated to God. Liberia's former President Tubman was a Methodist Pastor whom God used greatly in aiding many African nations to gain their independence in the late 1950s and early 1960s. His successor led the nation into fraternities in rejection of her godly heritage. This was the beginning of her fall. The nation has suffered so many

setbacks that has left her one of the poorest and backward nations of Africa. It was declared a failed state. Infrastructure is extremely poor, education is deplorable, the economy is in bad shape. Poverty and suffering abounds among the indigenes despite the enormous wealth God has put in the nation. Liberia is rich in gold, diamond, iron and other mineral resources, vast fertile agricultural land, forests loaded with the best of timber. Firestone's largest rubber plantation is in the nation. The nation has failed to harness her wealth for the progress and wellbeing of the country. The civil war grounded the nation leaving it paralysed, and when the Ebola plague hit, it claimed a sixth of the population of about four million people. The marks of a nation that needed divine intervention abound. We could not do otherwise when God led us to the nation. Many people were afraid for us and dissuaded us from going in fear that Ebola might still be a treat. Satanic opposition rose against the crusade, our crusade equipment were stolen through two different robber attacks. We also escaped accidents that could have claimed lives. God was good

to us none of the twenty five-member team who went from Nigeria was harmed in any way. The nation was led in repentance and strong intercession in the five cities, the gospel was preached with power, and God gave miracles in confirmation. Several thousands of souls were brought to the Lord. We believe that the country that had been ruled and controlled through fraternities for a long time has been set free. Since the spiritual antedates the natural, the spiritual atmosphere for Liberia to take her place as a leading and model African nation has been created. We can see a new Liberia that is blessed of the Lord. The authority in the nation monitored the crusade from beginning to the end. A soldier came to our host a day to the Monrovia crusade to say that they have monitored us from the beginning and that the Apostle should be warned that in Monrovia he must not talk about Fraternities and corruption. He threatened that if he did there would be consequence and our crusade will not conclude. The Apostle however could not but address these issues because it was obvious that these were root

of the nation's problem. A nation cannot do well if it is govern under the influence of Satan's through fraternities. The issues were thoroughly addressed and strong prayers made. God saw to it that the crusade was concluded successfully. There was much joy in the land. Great and small from all works of life called to appreciate the efforts and testify to the change they have experienced.

BUCHANAN CRUSADE JANUARY 28-31, 2016

The crusade kicked off from the city of Buchanan, a coastal town of about 90 minutes drive from Monrovia the seat of government, is said to be the first place the released slaves from America who later became the founding fathers of Liberia settled. Apostle Sunday Popoola led the people to pray the prayer of repentance for the atrocities that have been committed in the land. Apostle Sunday Popoola declared an end to occult and fraternity, injustice and bad governance. He prayed for God's visitation upon Buchanan. Many Souls gave their lives to Jesus. The land was prayed upon. Courses as a result of the war were broken and the ground was anointed

GANTA CRUSADE 4-7 FEBRUARY 2016

GANTA which is the headquarters of NIMBA County witnessed the Total Recovery Crusade. Ganta is located in the northern part of the country and it's a boarder town between Liberia and Guinea as well as the second largest city in the country.

The Crusade was attended by no fewer than 2,500 people who trooped out to partake of the blessing of the Crusade. Well over 1,000 people responded to the alter call made by Apostle Sunday Popoola at every night of the Crusade. Notable miracles were also wrought by The Lord at the crusade. This ranged from

salvation, healing and deliverance. One of it was a dumb girl whom God restored her speech, many deaf ears were healed among others. Speaking in an interview with the Crusade media team, the head o all market women in the whole of GANTA who was personally in attendance at the Crusade ground expressed her heartfelt gratitude to God for bringing the crusade to GANTA, which according to her is the political headquarters of Liberia, stressing that if GANTA is changed by God, then the whole LIBERIA is changed. It was however later reported that after the crusade left the city of GANTA, the people resorted to going to radio stations to share testimonies of the great things God did in their lives, since they don't know how to get across to the man of God and his team Members.

GBANGA CRUSADE FEBRUARY 15-18, 2016

Apostle Sunday Popoola and the Crusade team hit the city of GBARNGA the administrative head of Bong County as the third city in the series of 5 city nationwide Crusade in the LIBERIA TOTAL RECOVERY CRUSADE between 15-18 February 2016, with the gospel of Jesus Christ. The city of GBARNGA is noted in the whole of LIBERIA as the headquarters of wickedness, where a lot of atrocities such as kidnapping, ritual killings were committed. The 3 days crusade held on the County Office complex ground and it drew many people from all works of life in the town.

The County Office became important to the deliverance of the land of GBARNGA and the nation of LIBERIA especially with the wide spread story of a one time Superintendent (equivalent of a governor) of the County who was framed up as being a mastermind of a plan to overthrow the government at the centre. He was arrested, jailed humiliated physically and openly in front of

the office he occupied as a superintendent. He was quoted as placing a very strong curse upon the Nation, the County and any occupier of the office of the superintendent, that "they will always be disgraced out of office and that the county will know no advancement". This curse had however been having effect on the County as subsequent superintendents have always been disgraced out of office, with the incumbent presently on suspension over very trivial allegation..

Gods servant, Apostle Sunday Popoola noted for breaking frontiers, immediately swang into action according to the leading of The Lord by first and foremost leading the people in the prayer of repentance for their rebellion and all occultism and ritualistic practices, anointed the land and then prayed prayers of deliverance for the people and the land.

While preaching, Apostle Popoola openly informed all the powers that be, who have held sway on the city and the nation that there is a significant change in the spiritual atmosphere of the nation and that County, that when they make their consultations in their shrines, there won't be any response whatsoever.

Many people gave their live to Christ in GBARNGA, there were various miracles wrought by God there also. The GBARNGA Crusade. Too was not devoid of the Ministers and workers Conference in which the main focus of the man of God was encouraging the people to take thir place on the Seven mountains of Social impact.

KAKATA CRUSADE FEBRUARY 19-21, 2016

KAKATA is the headquarters of Magibi County, it's about 35 minutes drive from Monrovia the capital city of Liberia and it was the

Fourth city to host the LIBERIA TOTAL RECOVERY CRUSADE. The crusade held between 19th and 21st February 2016.

Apostle Popoola who preached on the triumphant entry of Jesus Christ to Jerusalem in which he rode on a colt, declared that God has personally decided to beautify the lives of the people of Liberia and Liberia as a Nation, adding that it is practically impossible for the devil and his cohort to truncate or hamper this beautiful plan of God for his people and the land.

In KAKATA Apostle Sunday Popoola prayed for the deliverance of the people and the land. Many people testified to the deliverances and healings they experienced. Many people also gave their lives to Christ during the Crusade. There was great joy in the city as the Holy Spirit visited them in a new way. There was confirmation among the people that the crusade is actually a fulfilment of a prophecy of God through another Nigerian preacher, Pastor TundeBakare about 10 years ago, that in the next ten years "the nation of Liberia will receive a divine visitation of God that will usher the nation to a new level and cause the nation to occupy her rightful position in the nations of Africa and the world at large".

MONROVIA CRUSADE FEBRUARY 24-28, 2016

The ground finale of the LIBERIA TOTAL RECOVERY CRUSADE held in MONROVIA the capital city of LIBERIA between 24 and 28 February 2016 at the popular Samuel Kenyon Doe stadium also known as SKD STADIUM.

Apostle Sunday Popoola traced the history of rebellion in the land to the way the name of the capital city was changed to what it is today (MONROVIA), how their founding father broke ties with the nation of Israel just because of personal gains.

A situation he described as 'selling ones birth right for a Mosel of porridge', other atrocities, diabolical practices and also the two "senseless" civil wars experienced in the nation during which many innocent people in the land were killed and maimed, with properties worth Millions of dollars destroyed. Apostle Sunday Popoola then led the people in prayer of repentance on behalf of the founding fathers, anointed the land to break all the forces of darkness that have hitherto taken charge of the nation. He stressed that it is unexplainable how Liberia remained undeveloped and the people live in abject poverty despite the enormous natural resources God has endowed the land with together with a size-able population. According to him, the

forces of darkness which had taken root in the land as a result of the dedication of the land to them by past leaders, is largely responsible for it.

Apostle Sunday Popoola ensured the nation is thoroughly delivered by calling people from the 15 different Counties that made up the nation of Liberia to stand in for the deliverance of the land, prayed for them and anointed them. He also instructed the people to get a white piece of cloth and write the word JESUS in the middle and after he has prayed on it, he asked people to go around the whole Country and hang it in conspicuous places to symbolize the 'banner of Jesus Christ' in the whole nation of Liberia.

God's servant whose messages in MONROVIA were against bad governance, occasioned by corruption and evil rulers who are members of Mason, especially after the reported threat from "government authority", that was quoted to have categorically and specifically 'instructed' that he should desist from preaching against CORRUPTION AND FRATERNITIES, otherwise the crusade will NOT be allowed to continue. There were diverse miracles healing and deliverances as well as salvation of souls.
